## BIO-ACTIVE BOWL CLEANER & URINE ODOR ELIMINATOR

A Bio-Active cleaner and odor eliminator that utilizes state of the art surfactants and carefully selected bacteria strains to clean most surfaces in a restroom and eliminate foul urine odors. Bio-Clean can be used for cleaning the toilet and urinals and then applied to any other surface where urine can accumulate including the floor, walls and dividers between stalls. The specialized bacteria will actually feed on the urine and completely break it down. Thereby eliminating the foul odor by eliminating the source of the odor. In addition to being a great bowl cleaner, daily use down urinal, shower, sink, and bathtub drains will assist you in keeping pipes clear and free from grease, fats, and other solid materials. When used as a drain maintainer, the need for hazardous chemicals such as acid, caustic, and bleach is reduced.
