

Fresh Air

Eliminate the most undesirable odors with Fresh Air concentrated liquid deodorant. This energized deodorant is economical and easy to use. One simple spray into the air will eliminate the malodor, leaving in its place a refreshing clean aroma. This product works well in eliminating odors from smoke, spoiled food, vomit, mold, mildew, and urine. It can also be used as an additive to mop water or to carpet cleaning solutions.

FEATURES

- *Concentrated liquid
- *Pleasant scent
- *Caustic-Free
- *Acid-Free
- *Biodegradeable
