

# *Somethin' Wonderful*

Somethin' Wonderful is a citrus oil cleaner designed to be an excellent solvent for tar, grease, mastic, ink or any stain or smudge that can not be removed by water based cleaners. Somethin' Wonderful makes an excellent general-purpose cleaner deodorizer when diluted with water. Citrus scent makes it much more pleasant to work with than solvents like 111 trichloroethane, ketones, xylene, or mineral spirits. Higher flash point makes Somethin' Wonderful less flammable than other citrus type solvents.

## **FEATURES**

- \*100% active
- \*100% organic
- \*Fast acting
- \*Acid-Free
- \*Caustic-Free
- \*Biodegradeable

## **APPLICATIONS**

- \*Deodorizer
- \*Tar and asphalt remover
- \*Degreaser
- \*Drain maintainer
